

Deep Conduction Full Absorption

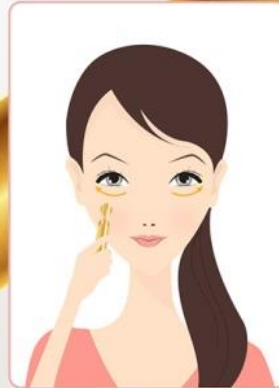

After applying your facial masks or using the essence, the daily skin care procedure hasn't finished yet. One or two minute later, right on your face,

Use the Enhancer Golden Bar.

The micro vibration of the golden bar helps to relax your skin. Continuously supply the facial treatment essence to your skin. And the essence will infiltrate to your deep cells. Eventually, the essence will be fully absorbed by the skin.

Doing Less for More Returns

Operational steps:

Use lifting action

Use circling action
